Description:

Complex, passionate, brilliant, flawed? Alexander Hamilton comes alive in Martha Brockenbrough's exciting biography *Alexander Hamilton: Revolutionary*, which is an essential read for teen fans of *Hamilton* the musical. Discover the incredible true story behind the Tony Award-winning musical - Hamilton's early years in the Caribbean; his involvement in the Revolutionary War; and his groundbreaking role in government, which still shapes American government today. Easy to follow, this gripping account of a founding father and American icon features illustrations, maps, timelines, infographics, and additional information ranging from Hamilton's own writings to facts about fashion, music, etiquette and custom of the times, including best historical insults and the etiquette of duels.

About Martha Brockenbrough

Martha Brockenbrough draws on her diverse experience in journalism, research, non-fiction and literary teen fiction to bring Alexander Hamilton to life. A powerful storyteller and narrative voice, Brockenbrough is the author of the critically acclaimed young adult novels *The Game of Love and Death* and *Devine Intervention*. She enjoys reading Hamilton's original correspondence, playing board games and spending time with her family. She lives in Seattle, Washington.
