## Overview:

The ASVAB is the qualifying test required for recruits entering all branches of the U.S. Armed Forces, as well as current service members who want to raise their score to qualify for more exclusive specialties or officer training. This comprehensive test preparation guide includes: A diagnostic ASVAB to identify areas needing improvement  
Four full-length practice exams with all questions answered  
Reviews of all ASVAB Subtest areas: word knowledge, paragraph comprehension, math knowledge and reasoning, general science, electronics, and basic mechanical comprehension, and shop and automotive information  
Tips for doing well on the "assembling objects" subtest  
Guide to analyzing test scores and on practice tests and understanding how they relate to potential military occupational fields  
**BONUS ONLINE PRACTICE TEST**  
Students who purchase this book will also get FREE access to one additional full-length online ASVAB test with all questions answered and explained.
