## Synopsis:

What is it about older men that gay boys find so irresistible? Some say young men in search of a "daddy" to partner up with - sometimes for life, sometimes just for the night - are looking for someone to mentor them. Take care of them. But there are plenty of young studs with dirty minds who simply find that men get better with age. Older men are hotter. More confident. More experienced. For some, it's all about dominance and submission. For others, it's about getting off with a guy who turns you on. These are the couplings explored in *Daddy Knows Best*, a sizzling collection of erotic stories - some romantic, some raunchy - that probe the younger man-older man dynamic in sensual, graphic detail. About the Editor: Beginning his career as a television writer, Winston Gieseke penned episodes for shows like *Wildfire* and *Hollywood Off-Ramp*. He has composed tantalizing copy for various adult entertainment companies and served as editor in chief of both *Men* and *Freshmen* magazines before honing his journalistic skills as managing editor of *The Advocate*.
