## Plot:

**International labor standards - Wikipedia International labour standards** refer to conventions agreed upon by **international** actors, resulting from a series of value judgments, set forth to protect basic worker rights, enhance workers' job security, and improve their terms of employment on a global scale. The intent of such **standards**, then, is to establish a worldwide minimum level of protection from inhumane **labour** ... **Labour in India - Wikipedia Labour in India** refers to employment in the economy of **India**. In 2012, there were around 487 million workers **in India**, the second largest after China. Of these over 94 percent work in unincorporated, unorganised enterprises ranging from pushcart vendors to home-based diamond and gem polishing operations. The organised sector includes ... **International Labour Organization** Worker, employer and government representatives of the Executive Body of the ILO will discuss global employment and social challenges, **labour** rights issues as well as the implementation of the ILO programme in the period 2016-2017. **ILO in India and South Asia (ILO in India) International Women's Day 2018** Women still less likely to be active in the **labour** market than men in most of the world . Despite notable progress over the past 20 years, updated ILO figures show

persistent inequalities between women and men on access to the **labour** market, unemployment and conditions at work. Explore - ARTICLE 19
