Sick of hearing about vampires? So is Meena Harper.

Meena Harper is familiar with the supernatural. After all, she knows how you're going to die (Not that you're going to believe her. No one ever does.)

But not even Meena's precognition can prepare her for Lucien Antonescu--who she meets and then makes the mistake of falling in love with--a modern-day prince with a bit of a dark side for which an ancient society of vampire hunters would prefer to see him dead.

The problem is Lucien's already dead. Maybe that's why he's the first guy Meena's ever met with whom she could imagine herself having a future. See, while Meena's always been able to see everyone else's destiny, she's never been able look into her own. Lucien seems to be everything Meena has ever dreamed of in a boyfriend, though he might turn out to be more of a nightmare.

So now would be a good time for Meena to start learning to predict her own future . . . if she has one.
