## Description:

Draw 45 of your favorite animals!

Simple step-by-step instructions -- just follow the red lines! Draw horses, lions, bears, penguins, monkeys -- a whole zoo! Trace over extra animal outlines to build confidence. Room to practice on opposing pages. Full-color illustrations. Ages 4 and up. Book measures 8-1/2 inches wide by 11 inches high (21.6 cm wide by 28 cm high). Young artists learn to draw by tracing helpful outlines, then by following the step-by-step illustrations -- the red lines in each step make completing each animal a breeze. Kids can then use their new skills (and imagination) to draw animals in colorful background scenes throughout!
