Book Synopsis:

WINNER OF THE CBI BOOK OF THE YEAR! A flagship publication, gloriously bringing the alphabet to life in irresistible Oliver Jeffers style!

The letters of our alphabet work tirelessly to make words that in turn make stories, but what if there was a story FOR each of the letters instead? Turn the pages of this exquisite book to find out...

Here you will discover twenty-six short stories introducing a host of new characters (plus the occasional familiar face). From Edmund the astronaut with his awkward fear of heights, via the dynamic new investigative duo of the Owl and the Octopus, through to the Zeppelin that just might get Edmund a little bit closer to where he needs to be, this book is packed with funny, thrilling, perilous and above all entertaining tales inspired by every letter in the alphabet.

An adventure to follow from A to Z, or a treasure trove to dip in and out of, *Once Upon an Alphabet* is a work of exhilarating originality from artist Oliver Jeffers, the creator of much-loved modern classics such as *Lost and Found* and *The Incredible Book Eating Boy*.
