Synopsis:

Fantastic experiments from Richard Hammond's TV series "Blast Lab", now in paperback. Get experimental with your kids - let them enter Richard Hammond's top secret underground lab and enjoy a hands-on EXPLOSIVE EXPERIMENTS EXPERIENCE! Just like the show, there are lots of fun experiments to try out using everyday objects from around the house. From parachuting eggs to vinegar-powered rockets, young scientists will be wowing everyone with their fun and creative discoveries. It's a fun-filled blast from first page to last!

Additional Info:

About Richard Hammond

Richard Hammond is known for co-presenting Top Gear alongside Jeremy Clarkson. He is passionate about science, cars and learning, and is the host of Brainiac: Science Abuse on Sky One. His first book for children Can You Feel the Force? was published in 2007 and won The Royal Society Junior Prize for

Science Books. Blast Lab is the first children's program that Hammond has presented.
