Overview:

First in a sexy new series featuring four succubus sisters fighting demons and desires. Jezebeth is living out the centuries as any succubus must-seducing men to survive and corrupting souls to make her quota with her queen, Lilith. But, when she's attacked by a bounty hunter demon, it's a handsome human who saves her. Noah Halston is a horror writer who owes his life to Lilith. Now he must pay up by eluding the fearsome beasts of hell while escorting a very attractive and tempting succubus safely to Lilith's lair-or else he will forfeit his soul to an eternity of torture. Trouble is, if he spends too much time with the all too tempting Jezebeth, he may just lose his heart-or, even worse, his life.
