**Publication date:** *01 Sep 2013*

**Publisher:** *McGraw-Hill Education - Europe*

**Imprint:** *MCGRAW-HILL Professional*

**Release location:** *United States*

## Book Synopsis:

The Practical Skeptic: Readings in Sociology includes classic sociological research writings as well as recent pieces on fascinating topics of interest to students. It is the ideal companion to McIntyre's text, *The Practical Skeptic: Core Concepts in Sociology*, or other sociology texts. Readings in this edition challenge students to re-evaluate familiar social arenas: the college classroom, televised sports shows, restaurants, doctors' offices and even public restrooms. The readings focus around the essential message that there is much that goes on in the social world that escapes the sociologically untrained eye.

## Additional Info:

## About Lisa J. McIntyre

Lisa J. McIntyre is associate professor in sociology at Washington State University. She received the PhD in sociology from The University of Chicago. She is the author of three books including *The Public Defender: The Practice of*

Law in the Shadows of Repute; Law in the Sociological Enterprise and The Practical Skeptic: Core Concepts in Sociology and the editor of The Practical Skeptic: Readings in Sociology. With Marvin Sussman, McIntyre edited Families and Law. An enthusiastic teacher and popular lecturer, McIntyre is a winner of Washington State University's William F. Mullen Teaching Medal and numerous departmental teaching awards. Her central research focus is on how law and social behavior interact.
