Toddlers can take a journey across the Island of Sodor and meet all the trains in this fun, magnetic book with 4 great scenes. Then create adventures of your own with Thomas, James, Percy, Harold and all their friends. Each of the 10 engines is a magnetic piece that can be used again and again.

There are hours of fun to be had and this is the perfect way to encourage children aged 3 and up to use their imaginations.

Thomas has been teaching children lessons about life and friendship for over 70 years. He ranks alongside other beloved character such as Paddington Bear, Winnie-the-Pooh and Peter Rabbit as an essential part of our literary heritage.
