About Martin Handford

Martin Handford, the man behind the mind-boggling Waldo books, began his career as a freelance illustrator specializing in drawing crowd scenes. "I can't

tell you how pleased I am that Waldo has taken on a life of his own," he says. "I'd like to inspire children to open their minds to explore subjects more, to be aware of what's going on around them. I'd like them to see wonder in places that may not have occurred to them." Martin Handford lives in England.

Review quote

The maniacal amount of activity present in Waldo's Hollywood jaunt is alternately daunting and dazzling. Waldo and friends meander through sets of movie spectacles . . . Moviemakers, actors, tourists, and spectators [take] part in what appears to be cleverly staged mayhem. Younger Waldo fans will be successfully entertained; older ones will appreciate the sly humor of the 'caught in the act' illustrations.
